2025 Michigan Value Collaborative

Date: Friday, October 10, 2025

Time: 10:00 AM - 1:00 PM

Location: Vistatech

Learning Format: In-Person

City/State: Livonia, MI

Presentation and Speaker Information:

- Adapting Together in 2025 and Beyond: High-value Care for All in a Changing Landscape
 - Mark Bradshaw, MSc
 - Jessica Souva, MSN
 - Julia Weinert, MPH
 - Brad Lott, PhD
 - Gloria Rey, PA-C
 - Hari Nathan, MD
 - Kushbu Narender Singh, MPH

Learning Objectives:

At the conclusion of this activity, participants should be able to:

- Describe how to complete a needs assessment for non-medical influences of health in compliance with new health policies and federal regulations.
- Describe strategies for implementing initiatives that support the needs of patients with complex medical, social and payer needs.
- Utilize data from the MVC online registry and monthly reports to identify specific patient payor populations to target interventions and resources that can mitigate negative impacts of non-medical influences of health outcomes.

Credit Designation:

- MyMichigan Health designates this live activity for a maximum of 2.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- MyMichigan Health designates this live activity for a maximum of 2.5 Hour(s) Attendance w/ No Credit. Participants should claim only the credit commensurate with the extent of their participation in the activity.
