## WHY CHOOSE A SITE VISIT?

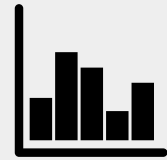

### MVC OVERVIEW

Better understand how to leverage MVC's services and resources

### PUSH REPORTS

Gain valuable insight from recent relevant MVC push reports

### CUSTOM DATA

Learn from MVC custom analytics and discuss areas of opportunity

## WHAT HOSPITALS WILL SHARE

### COLLABORATION

Describe current collaborative efforts and opportunities with CQIs and POs

### AREAS OF FOCUS

Highlight key successes and lessons learned from current quality initiatives or recent improvements

### FEEDBACK

Discuss how MVC can further engage and support your organization

MVC partners with BCBSM to implement its P4P program. MVC offers site visits as a means for hospitals to earn Engagement points.

## WHAT OTHERS ARE SAYING

"... The conversation was productive and beneficial. We were given some new ideas of when to ask for assistance and have a better sense of direction MVC would like to head into. I look forward to partnering with you more... I appreciate your willingness to help us understand the workings of the registry better and how it can be utilized for not only P4P, but performance in general."

*Henry Ford system-level coordinator*

"...We enjoyed the conversations and the opportunity to connect with you and each other in a different way."

*Munson Health System coordinator*

"...The information you shared was insightful and appreciated by our CMOs and CNOs. We will forward the [resources] to the meeting attendees. Looking forward to working with you on different MVC initiatives."

*McLaren Health System coordinator*
